Summary

Senior UI Developer with a focus on cross-platform strategy, interaction and mobility. I am passionate about good design and intuitive user experience. I bring an experience of **3 years** with a background in both development and design. I am a passionate believer in digital experiences equally sophisticated and delightful.

Career Synopsis

- 3 years of experience in IT Industry with JavaScript based Front End Technologies
- Working with **Mindtree Ltd.** as a **Digital and Mobility Experience Senior UI Developer**
- Has experience in domains like **e-Banking, Finance** and **Telecom**
- Has strong hands on experience in advanced **JavaScript, EcmaScript, Data Structures, Algorithms, Search Engine Optimization, Prototyping**
- Has hands on experience with **JavaScript Libraries/frameworks** like **Angular (NRWL, NGXS, NGRX, NX, v7/6/4/2), Vanilla JS**
- Has experience in working with **AGILE** methodology
- Has been a part of analysis, estimation, development, reviews and client interactions
- Strong debugging and analytical skills, contributed extensively for resolving UI performance and optimization issues like running applications in 60 fps, reducing payloads, suggesting better optimization strategies
- Hands on experience in using the tools Git bash/CLI, Jira, Confluence, NodeJS prompt, Visual Studio Code, Putty, SQL

Generic

DATA STRUCTURES	DYNAMIC PROGRAMMING
• Arrays and Objects • Linked Lists (Single/Double)	• Pseudo-coding • Algorithm driven • Optimal Substructure
• Stacks and Queue • Graphs,	• Minimum Time/Space Complexity • Problem Solving Patterns
Heaps • Binary Trees • Hash	• Divide and Conquer • Frequency Counter • Multiple Pointers
Tables	• Recursion • Memoization • Optimization • Reusability
	• Proto-typing

Technical Skills

Languages	JavaScript, ES2015, ES6, ES7, HTML5, CSS, SCSS
State management	NGXS, NGRX, Redux
Frameworks	Angular 7,6,4/2/1.5, NRWL, NGINX, Bootstrap 4.1.2, Angular Material
Backend	Java
Unit Testing	Jest, Karma, Jasmine
Application Server	Node, Web pack, Apache

Technical Ex-Info	Version Control	GIT (Bash/CLI), SVN, WinSCP, Bit Bucket		
	Database	MySQL, Heidi SQL, MongoDB		
	IDE	Microsoft VS Code, Sublime Text, Notepad++		
	Miscellaneous	Jenkins, JIRA, Confluence, WinSCP, Postman, PuTTY, SourceTree, Beyond Compare		
	Others	Windows 10/8.1/7, OSX, Microsoft Tools		
	Employment	Current	Mindtree Ltd.	
Previous		Infosys Ltd.		
Work	Mindtree Ltd.			
	Senior UI Developer • Digital Vert March 2019 - Present			
	Worked on complete redesign of multiple portals' for the largest provider of insurance in US, the side of the application, which is being used by customers, multiple vendors and producers. The application is developed on the latest NRWL framework of Angular 7 in conjunction with the Angular Material Framework. State control with NGXS, style pre-processor was SCSS.			
	Angular 7 NRWL NGXS NX Angular Material HTML SCSS JEST Agile Scrum GIT PuTTY SourceTree BitBucket SEO CI/CD Optimization Integration DBMS Dynamic Programming Data Structures & Algorithms			
	<ul style="list-style-type: none">• Delivered core functionalities like localization, login, etc.• Provided design and development estimation for each sprint• Team Player• Experienced with responsive designing• Designed individual, reusable, responsive components and modules throughout the application• Continued delivering pixel perfect designs• Integration with Backend services, writing automated test cases• Source and version controlling every stage in the pipeline of development• QA & QC			
	Infosys Ltd.			
	Senior UI/UX Developer • DXFX Dec 2016 – March 2019			
	Worked on complete redesign of multiple clients' website portals and apps in the banking and financial services field, the side of the application, which is being used by millions of customers. The designs were compatible with all the latest screen sizes and ran on a smooth 60 frames per second. The applications were developed on the latest Angular 4, Polymer frameworks.			
	Angular ReactJS HTML CSS Bootstrap PolymerJS Java Agile Scrum DBMS Optimization Integration Dynamic Programming Data Structures & Algorithms			
	<ul style="list-style-type: none">• Delivered pixel perfect designs• Provide design and development effort estimates• Team Player• Experienced with responsive designing• regularly monitoring work against production schedule• Execute all visual design stages from concept design to API integration to testing			
Certifications	Certified Angular 7 Developer	Udemy	2018	
	Certified Data Structures &	Udemy	2018	

Algorithm developer

Certified React Developer	Code with Mosh	On-going
Certified Angular 4 Developer	Udemy	2017
Certified Front End Developer	Udacity	2016

Education

Dr. APJ Abdul Kalam Technical University, UP.	Electronics and Instrumentation Engineering (B. Tech)	2012 - 2016
---	---	-------------

Abilities

- Analytical problem solving with code
- Technical and non-technical communication
- Engineering best practices and approach (Debugging, code structure, patience and reference to documentation)
- Language and computer science experience

Responsibilities

- To provide all the deliverables in time without delays
- To do a full-fledged integration and testing with multiple screen sizes
- To effectively follow software development methodologies like Agile
- To write bug free code to reduce time and efforts utilized while testing and debugging

Awards

UNSTOPPABLE AWARD	"for his execution excellence"	Mindtree Ltd
A+ TEAM AWARD	"for displaying exemplary Team spirit to achieve a common goal"	Mindtree Ltd
OUTSTANDING AWARD	"for keen sense of expert thinking in domain / technology / function"	Infosys Ltd

Appreciations

- Multiple appreciations from clients and seniors for consistent performance and timely deliveries
- Always desired to add value beyond what is asked for, displayed the true spirit of one team
- Displays excellence in execution, with no compromise on the quality of deliverables
- Outstanding performer for work done in previous organizations

Personal Details

Address	C-1003 Tinsel Town, Hinjewadi Phase 2, Pune, Maharashtra
Date of Birth	01-12-1994
Languages Known	English, Hindi
